DO YOU WANT TO EARN EXTRA MONEY?

DO YOU WANT INCREASED BARGAINING POWER WHEN YOUR CONTRACT IS BEING NEGOTIATED?

Member Organizers help their union organize new members by recommending new shops as potential candidates for organizing. If a lead you provide is successfully organized, you will receive a **Member Organizer Fee**, which can be *thousands of dollars* depending on the size of the group. Thus, you receive compensation for your efforts while also reaping the benefits of a union which has grown in strength and numbers. Not only will you increase your union's clout at the bargaining table; you also help secure your own job, wages, and benefits by leveling the playing field within your industry.

Some Benefits of Participating:

- You will earn extra money
- You will help grow and strengthen your union, which helps you when you are bargaining with your employer
- Organizing more workers in your industry decreases non-union competition
- Greater unionization in your industry secures your job, wages, benefits, etc.
